

Thank You Minneota

Editor;

I want to thank people of Minneota for their kindness and swift action.

I needed to rent the city hall for Monday evening, April 19 for a gathering after Cyril VanDenBroecke's wake. It was the Sunday before and the hall was closed.

I called a friend of the family, Louise Stassen, and she gave me a few names. I called Tony Esping, Mary Jo Hennen, Joanne Myrvik and Dan Canton. I left messages. Within minutes I had answers and I can't remember who I last talked to but I got the hall, all the information I needed. That's small town USA for sure.

Thank you all, and God bless Minneota folks.
