

Crash at Highways 23 and 59

NOON WEDNESDAY

Intersection of State Highway 23 and US Highway 59 was the site of an accident that injured three people, and sent them to the hospital.

It also created a bad traffic situation at the intersection in Marshall.

A 1995 Peterbilt semi driven by Isidro Hernandez of Renville and a 2004 Chevrolet Silverado driven by Kristi Buysse of Marshall were involved in the crash.

The Marshall police department says both drivers and an unidentified passenger in the semi truck were taken by ambulance to Avera Marshall Regional Medical Center.

The Peterbilt semi sustained moderate damage while the Chevy pickup had severe damage.

No other details on the accident have been made available at this time.
