

Lydia Sussner (52) battled Lyle/Pacelli's 6-5 center Kristi Fett for the ball during the Athletics' win over Minneota, 53-41. Abby Hennenn drove toward the basket, guarded by the Athletics' Abigail Bollingberg. On the right, Hennenn went to the floor to fight for the ball against Lyle/Pacelli's Lucy Nelson.

Too much Kristi Fett in semifinals

Lydia Sussner sat down after the game looking exhausted.

"I am exhausted," she said. "Lydia is very frustrated about her offense," said Coach Chad Johnston. "But in all fairness, she played a great game against a very tough opponent."

Sussner had been the center of Coach Johnston's plan to attack the all-star Kristi Fett. So he'd designed a plan to send his all-star, Sussner, into the path of Fett.

But try as she may to stop her and to get past her on offense, Fett's influence on the game was just too much and Lyle/Pacelli took a 53-41 win to send the Vikings into Saturday's third place game.

"We fought hard against her. But her presence changes everything," said Coach Johnston.

Minneota trailed just 22-21 at the half in a low-scoring, methodical game that controlled by Fett's presence. It wasn't so much her scoring, which totaled 17 points, or even her rebounding (14), or her seven blocked shots — but just the fact that she became a presence in the middle that was just hard to negotiate.

"We did a wonderful job defending," Coach Johnston said. "But Fett is an impressive player," he added.

"She frustrated Lydia, but I think Lydia also did a good job on her defensively," the coach added. "The idea was to go directly at Fett, wear her out and make her defend."

"They were very well aware of who Lydia was. Lydia tried to get a hand up on her but it was just physically exhausting."

He'd also hoped to push the ball up the court and get Fett caught in "the transition," but said, "We didn't do a very good job of that. As the game went on they kept changing gears on us," he said.

But Fett's presence allowed the Lyle/Pacelli girls to drift high above the key to stop Minneota from shooting. "They took away our three-point shooters," the coach said.

Coach Johnston tried putting both Sussner and Morgan Hennenn on Fett, but when Hennenn eventually fouled out, the center was more wide open than ever. "When Morgan fouled out that made a difference," she said.

Despite Fett, what did Minneota in was a period of time in the second half when they didn't score.

Lyle/Pacelli went from a 31-30 lead to a 40-30 advantage before Lizzy Gillingham hit a free throw. That was a nine-point run for the Athletics and about a five-minute span when the Vikings didn't score.

Despite a Viking press, they couldn't get any closer than 48-41 and Minneota had to resort to fouls. Lyle/Pacelli was solid at the free throw line, hitting 15 of 19 in the second half alone.

Minneota was also cold shooting — some attributed to Fett in the middle. She shot just 24 percent for the game and 17 percent from three-point land.

"We simply won more possessions than they

did," said Lyle/Pacelli Coach Justin Morris. "We kinda stopped their running game," he added.

Morris said, "We're incredibly excited," to be playing in the state championship.

As for Coach Johnston, he was philosophical. "This is a great team," he said about Lyle/Pacelli. Then he stopped and added, "We still have an opportunity to finish with a win," as he pointed to Saturday's third place game.

Abby Hennenn's 15 led Minneota with Sussner scoring 11, Lizzy Gillingham seven; Morgan Hennenn (who eventually fouled out trying to help guard Fett) five and Morgan Kockelman three. Abby Hennenn had eight rebounds and Sussner seven.

But Fett had 14 rebounds and seven blocks as she used her 6-5 frame to swat the ball away on numerous occasions.

"Lydia expended a lot of energy," the coach said — yet she was able to score 11 points.

There just wasn't any way to stop the too-tall Fett — and her presence took a huge toll on the Vikings.

Lyle/Pacelli would go on to beat Sleepy Eye in the state finals, 57-33.

Ada-Borup/Norman County West defeated Heritage Christian Academy, 63-47 to take fifth place in the Class A Tournament.

Vikings turn back Menahga, 74-69

Menahga Coach Cody Pulju didn't have to look far to see a duplicate of his own team. Minnetonka, "Reminded me a lot of ourselves," said the Braves coach. Coach Cody Pulju simply said, "We ran into a real good team." Minnetonka held an 18-point lead in the second half, but had to hang on for a 74-69 win over the pressing, driving, small but quick Braves. "We knew they were going to start putting pressure on us with their diamond press the second half," said Coach Johnston. After taking an 11-point, 41-30 lead at the half — the Vikings took control of the game, building a 53-35 lead. But they couldn't hold it. Menahga threw the hard diamond press on Vikings and slowly crept back into the game. When Megan Hendrickson grabbed a rebound and put it back in, Minnetonka led just 64-60. But Lizzy Gillingham, who would score 19 points, got loose, thanks to a pass from Lydia Sussner, and scored for a 66-60 lead with 2:30 to go. But Menahga wasn't through. Alyssa Anderson got loose for one of her four, three-pointers and Minnetonka's lead was precarious at best — at 67-65 with 1:45 to go. "They definitely intensified their defense," said Coach Johnston. Unfortunately for the Braves, they didn't see the Lydia Sussner, Lizzy Gillingham train coming.

Gillingham scored and got a rebound, then hit one of two free throws. Sussner hit a free throw. Menahga's second player fouled out — Megan and Tara Hendrickson and the Vikings held on for the first-round win at the state tournament. Sussner scored 22 points with nine rebounds, collecting 14 of those points in the second half. "We play against several big girls up north, but we're not used to defending a girl like Sussner," said Brave Coach Pulju. "We don't see big girls with the skills she has — with the height, athletic ability and skill," he said. "In fact, all four of their guards were hard to hold." He was right, Gillingham scored 19, Morgan Hennen 18 and Abby Hennen six. "I knew they had two girls crashing down on us. But we knew we could do it. We had to step it up and help each other," said Sussner. IN THE first half it was Morgan Hennen who gave the Vikings a jump start. She hit two quick shots. "Then the third one some how went through," Hennen laughed. It was a three-point and she had 12 first half points. She would hit two three-pointers in the second half. Minnetonka got off to a 16-8 lead in the first half and Menahga got further behind. "This was our first state tournament and half our girls have never even been in this building," said Brave Coach Pulju. "We were kinda nervous," said the Braves' high-point scorer Alyssa Peterson. She scored 24 points.

"We let the environment get to us a little," said the Braves' coach. He said the Braves had to go to the press because Minnetonka was, "Killing us in the half court." NET NOTES: •The Vikings will play the state's No. 1-ranked Lyle/Pacelli Athletics at noon on Friday at Target Center. The 30-1 squad took a 59-43 win over Heritage Christian. Their 6-5 center Kristi Fett, who scored 25 points with 18 rebounds, will be the subject of Minnetonka Coach Chad Johnston's game plan. "We'll have to figure that out," he said. The coach indicated shutting off Lyle/Pacelli's good-shooting guards or closely guarding Fett will be a tough decision. •Minnetonka got good performances off the bench from Abby Rost, who scored four points and had a pair of rebounds and Natalee Rolbiecki had seven rebounds, five of them on defense. •Both teams had 37 rebounds.

Lizzy Gillingham lives her dream

By Byron Higgin
Mascot Publisher

When Lizzy was a little girl, she used to play, "State Tournament" all the time, said her mother Diane Gillingham.

"She has always loved basketball," said her mom.

Lizzy smiled when she said, "Yes, I used to play state tournament all the time. I'd make the players take tickets and pretend to play in the state tournament," she said.

"She had the players all ready and played the whole game," her mom added.

So who was the star of the game, she was asked. "I was," she said.

In all of Lizzy Gillingham's state tournament fantasies, she always won the state championship.

So last weekend was for real.

She finally made it. Only this time her team didn't win the state championship. But they did take third.

"So what was it like to finally play in the state?" she was asked.

"It was awesome," she said. Probably even better than all those fantasy games? "Yes, it was the best," she said.

When asked what her biggest thrill was she said, "Taking the court for the first time at Target Center."

All she could think about was, "This is where the pros play."

And there she was, after all those years of make-believe, dreaming, planning and hoping, Lizzy Gillingham was playing on the big stage.

When asked what it was like to take the floor against Lyle/Pacelli's 6-5 center Kristi Fett, Gillingham said, "She didn't seem that tall, until you stand right beside her."

But once the game started, it became obvious the only thing to do was, "Just not be afraid of here and not back off." Gillingham didn't, either.

But Fett was definitely a handful.

"It was really a close game, until we had to foul — then we got behind," Gillingham said.

One of the thrills of the game came on the air when WCCO broadcaster Dave Lee talked about Lizzy Gillingham and how her grandfather was Green Bay Packer football player Gale Gillingham and her father professional power lifter Brad Gillingham.

Minneota may not have won the state tournament, as Lizzy Gillingham has imagined oh, so many times.

But Lizzy is just a junior, and with all the starters back, well,

The Gillinghams. Lizzy Gillingham posed with her father Brad and mother Diane plus some of the memorabilia the team won on its drive to third place in the state. Lizzy has been practicing for the big moment on the big stage all her life and finally got her chance to play in the state tournament. Staff Photo by Byron Higgin.

who knows, they may just be back for another run at the title — and maybe another chance for Lizzy Gillingham's dream to come true.

Playing down there, "Makes us hungry and we want to go back," Gillingham said.

Despite not living the complete dream, she says, "It was a perfect way to end the season."

And maybe, just maybe, after all those rehearsals all those years, "I've got more confidence now."

And on a certain night, sometime in the future, it's just possible Lizzy Gillingham's dream will come true.

Anyway, she says, "We decided third place is pretty awesome." That it is!
