Celebrate
Continued from Page 1

We celebrate our students every day, but during this week we do so in a very special way. We played “Family Feud” in the gym, held a beach ball volleyball tournament, had a school dance and a carnival. The seventh and eighth graders choose the lunch menu for the entire week.

To celebrate vocations, we collected items for the Sisters of Mary Morning Star in Ghent and we all participated in Adoration of the Blessed Sacrament.

We ended our week with our annual Flurry of Fun where friends and families of the school gather for an evening of food, fun, and entertainment.

Over 190 individuals were served a meal catered by Scottie Biggs.

The theme of the entire week was “Catholic Schools: Faith. Excellence. Service.”

This theme encompasses the core products and values that can be found at St. Edward School and at Catholic schools across the country.

Not only are we teaching students to become future servant leaders, faith-filled disciples and enriched citizens in our communities, educators are growing with them.

In Catholic schools, we are all learners, servants and leaders. These shared qualities are what make Catholic schools work. They are what make Catholic schools succeed.
